

HEALTH PROTECTION COUNTERTOP SCREENS

Designed to make both employees and customers feel more comfortable amidst our current crisis, this clear acrylic partition provides a shield to help prevent direct physical and airborne contact. Available in two options, with or without a passthrough window.

THE PERFECT OPTION FOR:

- Pharmacies
- Grocery Stores
- Banks
- Convenience Stores
- Hospitals/ Clinics
- Reception/ Front Desk
- Retail POS

CLEANABLE & SANITARY

Able to be cleaned with wipes, bleach, or any common disinfectant

FUNCTIONAL DESIGN

Barcodes can be scanned at checkout through the clear acrylic, preventing physical contact

SAFETY FEATURES

Tri panel build helps to mitigate airborne contact from coughing, sneezing, or laughing

DIMENSIONS 3'-3/4"x6'8"

Each Countertop Screen includes pre-drilled feet to allow for secure, screw down attachment

"This screen would make me a lot more comfortable when talking with sick people coming into this clinic. I try to be personal to all customers but I've got to keep my distance from sick people."

-Pharmacist, Minnesota
